A good Bible dictionary will facilitate this rule. For instance, if we plan to read the book of Genesis, we ought to consult a Bible dictionary article on "Genesis." An introduction to the content increases our ability to understand and retain the material. Give the mind an advantage by knowing as much as you can about your reading before you read. This is true with respect to the Bible as a whole, and in connection with chapters and verses. Halley's Bible Handbook is a useful tool for this; its chapter summaries are a helpful reader's guide. Rule Three. I had often read the Bible simply to reinforce my own views. I used it as a source of dogma to attack others while reaffirming my own insecurities and inadequacies. How painful this realization was to me! It is understandable by the average human mind and uses normal human communication forms and techniques. I believe the Bible has a unified message and purpose. Read the entire book again, seeking to identify the historical setting and specific occasion for the writing from the Bible book itself. List the historical items that are mentioned in the Bible book (1) the author (2) the date (3) the recipients (4) the specific reason for writing (5) aspects of the cultural setting that relate to the purpose of the writing (6) references to historical people and events.

English (US) · Suomi · Svenska · Espa±ol · PortuguÃs (Brasil). Information about Page Insights Data. THE GOOD BOOK / xiii œ. Brother, does it not give you pleasure and glory to God that before the earth itself was formed, we were destined in the mind of God to have this exchange this morning? œ To which the Methodist replied, œWell, if that is so, then I ainâ™t going,œ and he turned his horse around and went home. I know how he felt. by the fact that the Bible has become an American cultural icon with enormous influence, both symbolic and substantial. Thus, for me, the Bible and the social and moral consequences that derive from its interpretation are all too important to be left in the hands of the pious or the experts, and too significant to be ignored and trivialized by the uninformed and indifferent. Why are so many intelligent and compassionate people embarrassed to say they find wisdom and comfort in the Bible? Why do so many seekers turn to New Age religions instead of the Bible? And how as a society did we come to cede biblical interpretation to those who would use the Bible as a tool for division and exclusion? In this groundbreaking book, Peter Gomes shows how to read the Bible and what it says about the topics that concern us all, including joy suffering, evil, and goodness. He also explains what the Bible really says about women, gays and lesbians, and people of color. With compassion
