See more. 23 January 2017. I can recognize that Kingdom is different from Church and may relate to something I am more interested in, but it almost seems as if Agamben is hinting that the early Church actually sought (or rather the highest thing being sought is) a messianic break from the present. Agamben uses the metaphor of being like blotting paper to theological ink, but I'm not convinced that's what is actually happening. ...more

Although very short, Agamben realizes the difference between the church and the kingdom can be found within the Catholic church's ordination of time. Time here, is used to project a position of sacred reverence as a political tool, rather than one utilized to realize the potential spiritual awakening NOW.
