It is of a much higher standard than many recent works encountered (names withheld to spare the guilty). W.J.K. Davies is able to succinctly cover Divisional organization, weapons, and tactics in one, 176 page, volume. While not going into any great depth, the information, such as German chart and tactical symbols (also used on vehicles), and their meaning, are an important rare find. Most of the book covers "Equipment" (Chapter 5) and "Th
