In *Pictures of a Childhood: Sixty-six Watercolors and an Essay*, Miller said that painting helped her to ponder deeply into her memories. In some of her paintings, Miller depicted baby Alice as swaddled, sometimes by an evil mother.[37]. "I betrayed that little girl [...]. Only in recent years, with the help of therapy, which enabled me to lift the veil on this repression bit by bit, could I allow myself to experience the pain and desperation, the powerlessness and justified fury of that abused child. Only then did the dimensions of this crime against the child I once was, become clear to me.[ *Pictures of a childhood : sixty-six watercolours and an essay*.
