For understanding modern Korean culture, society, and politics, the importance of Christianity cannot be underestimated. It may be somewhat of an exaggeration to claim that Christianity is to modern Korea what Buddhism was to ancient Korea. Cite this Item. PART ONE: Overview. Chapter 1 A Quarter-Millennium of Christianity in Korea. Chapter 1 A Quarter-Millennium of Christianity in Korea. (pp. 7-26). James Huntley Grayson. In this volume, various chapters consider a range of historical issues in the overall story of Christianity in Korea. To understand this history, why it took the shape that it did, we first look at the early days of Christianity in Korea. On business in Manchuria, several young Koreans met John Ross and John McIntyre, two Scottish Presbyterian missionaries, who had long been interested in Korea but were unable to enter. The party taught the missionaries the Korean language and helped them translate the Chinese Bible. That community is now regarded as the "cradle" of Protestant Christianity in Korea, a symbol of the self-supporting, self-governing, and self-propagating nature of Korean Christianity. By the 1880s, the Confucian order was crumbling and Korean sovereignty was threatened not only by Western powers but also by the rise of Japan.
