Goodreads helps you keep track of books you want to read. Start by marking "Mustang: Life and Legends of Nevada's Wild Horses" as Want to Read: Want to Read saving... I wanted to read this book because I traded riding lessons for grooming the author's horses when I was a teenager. I didn't realize at the time that Mr. Amaral was such an accomplished author. This book is for people who are interested in the history of horses in the western United States, especially Nevada (where I grew up). It's like sitting around the campfire and listening to the old-timers tell about their mustang adventures.
