irreverent definition: 1. not showing the expected respect for official, important, or holy things: 2. lacking the expected respect for official, important, or holy things: . Learn more. It had seemed - and was in part intended as - irreverent, and calculated to make austere churchmen and political moralists appear crude and unsophisticated. From Cambridge English Corpus. The irreverent atmosphere of this early-morning space did not really facilitate 'collecting' musical texts, either for analytical or for pedagogical purposes. Background checks are performed on all applicants, and the license will not be issued until the check is satisfactorily completed. The background check will take longer if the applicant has not been a Texas resident for the past ten years. Additional Online Resources.
