Labour relations and human resources management: an overview. Anne Trebilcock. Labour or Industrial Relations. The term labour relations, also known as industrial relations, refers to the system in which employers, workers and their representatives and, directly or indirectly, the government interact to set the ground rules for the governance of work relationships. It also describes a field of study dedicated to examining such relationships. The field is an outgrowth of the industrial revolution, whose excesses led to the emergence of trade unions to represent workers and to the development of

Labor-management relations. Flag as Inappropriate. This article will be permanently flagged as inappropriate and made unaccessible to everyone. Are you certain this article is inappropriate? Excessive Violence Sexual Content Political / Social. Labor-management relations. Industrial relations is a multidisciplinary field that studies the employment relationship.[1][2] Industrial relations is increasingly being called employment relations or employee relations because of the importance of non-industrial employment relationships;[3] this move is sometimes seen as further broadening of the human Labour relations and human resources management: an overview. Anne Trebilcock. Labour or Industrial Relations. The term labour relations, also known as industrial relations, refers to the system in which employers, workers and their representatives and, directly or indirectly, the government interact to set the ground rules for the governance of work relationships. Labor-management relations in the United States have varied greatly since workers first won the legal right to organize. During and after the Great Depression, there was widespread skepticism about allowing business owners to seek profits without any government or other forms of intervention. Unions represented a balancing of the interests of workers with the interests of management, and the American population generally supported the right to organize and engage in collective bargaining.
