After 20+ years of Kim Sutton traveling around the country working with thousands of teachers, we realized Kim is not getting to all of the states we would like, to effectively share her amazing material and ability to teach math content in a fun and exciting way. To achieve this goal, we have trained a select number of teachers to be available in those states we don't reach as often as we'd like. These teachers use and feel Find Kim Sutton's contact information, age, background check, white pages, criminal records, photos, relatives, social networks & resume. Kim Sutton Adair, Realtor ®. With an extensive background in commercial real estate, it was her family that encouraged Kim to become a residential real estate agent. They knew she had a heart for serving and it would be a perfect fit. After years in Corporate America, she decided to make the jump. Kim made quite a splash her first year, winning the Rookie of The Year Award at Coldwell Banker. Antony Cyril Sutton (February 14, 1925 – June 17, 2002) was a British and American economist, historian, professor, and writer. Born in London in 1925, Sutton relocated to California in 1957 and became a U.S. citizen in 1962. he studied at the universities of London, Göttingen, and California and received his D.Sc. from the University of Southampton. Sutton then received an economics professorship at California State University, Los Angeles and a research fellowship at Stanford University's Hoover Fund.
