The Irish culture has quite a few divides between the people with regards to the religion or even the language issues. Today, this place is seeing an increase in the population with the new immigrants coming in from all around the world. Lifestyle. The people of Ireland are known to be very hospitable and friendly in nature. Having a family life is considered of great importance in Ireland. The traditional ways of the Irish people can be seen more commonly in the rural areas of Ireland. Stories related to the old Irish culture mention honey being widely used especially to make mead. Meat was widely eaten along with poultry products. The potato formed a major part of the food in Ireland amongst the labor class.

The Big Book Of is a series of graphic novel anthologies published by American company DC Comics imprint Paradox Press. The Big Books were published between 1994 and 2000. Just over half of them (ten out of seventeen) were written by a single author (including Doug Moench and John Wagner), with Jonathan Vankin taking over the writing of the later volumes. A wide range of artists worked on the stories. Notably it was the first American work for Frank Quitely. Rick Geary reckons he is the only artist to
