Levin (Eds.), *Public dollars for private schools: The case of tuition tax credits*. Philadelphia: Temple University Press. Google Scholar. Hirschleifer, J. (1980). Tax credits are dollar-for-dollar reductions in the amount of tax that you owe to the government. These credits are much more effective at reducing your tax than deductions, because deductions only reduce the amount of taxable income that will be assessed, while tax credits reduce your tax liability. Tax credits fall into two main categories: refundable and non-refundable.Â Hope Credit, American Opportunity Credit and the Lifetime Learning Credit - The hope and lifetime learning credits provide a measure of tuition reimbursement for parents (or students) who are paying college tuition and fees.
