Description: My Vietnamese Kitchen is a collection of recipes passed down through Uyen Luu's family. Uyen was born in Saigon and spent her childhood there before leaving Vietnam in the aftermath of the war. She regularly travels back there to visit family and pick up more classic and modern recipes for dishes found in the homes and on the streets of Vietnam. The recipes in the book tell a story - about Uyen's family, about the culture of her heritage, about the rising popularity of this cuisine around the world. In essence, the food of her country aims to strike the perfect balance b She will share recipes and stories that bring Vietnamese food to life on your plate. In addition to learning about the balancing and health benefits of essential ingredients, and the fundamentals of food preparation and presentation, participants can experience a glimpse of Vietnamese history and culture through each dish.
