Start reading Forgotten Victory: The First World War: Myths and Realities on

In 2001 he published a First World War revisionist book, *Forgotten Victory: The First World War, Myths & Realities*, drawing approval from the historian Niall Ferguson, who judged it to be "An iconoclastic tour-de-force". The British literary academic Frank McLynn, in a book review in *The Independent*, accused Sheffield of being a 'single-minded Right-wing ideologist', who had 'tied himself in illogical knots' to 'rescue (Douglas) Haig from the justifiable charge of being an incompetent butcher' and 'launder' his reputation in an 'eccentric The Soviet history of World War II myths, memories, and realities. Books. *The German Fifth Column - myth or reality?* a preliminary study on World War 2 history. Related content. © iwm (e(aus) 2078). How did people share their cultures and traditions during the First World War? KS3-4. First World War. © IWM (Art.IWM PST 2734). History. An important book that shatters many myths about the First World War (Richard Holmes). Amongst the most important books to have been published on the Great War for some years. Very strongly recommended (Stand To!) Book Description. On the day of victory, it gave over the whole of the front page to a retrospective of the First World War which had just been won at such cost. The striking thing was the utter confusion it showed in the mind of the editor of the time. It was no more than a succession of battles on which they had reported for the previous four years. 1.0 out of 5 stars *Myths and Realities?* Oh dear, yet another Hague apologist, or is this just another historian trying to make a buck by presenting yet another "alternative" interpretation of history. The First World War is arguably the most misunderstood event in twentieth-century history. In a radical new interpretation, leading military historian Gary Sheffield argues that while the war was tragic, it was not futile; and, although condemned as 'lions led by donkeys', in reality the British citizen army became the most effective fighting force in the world, which in The First World War is arguably the most misunderstood event in twentieth-century history. Without underestimating the scale of the human tragedy or playing down the disasters, it explodes many myths about the First World War, placing it in its true historical context. ...more. Get A Copy. Kindle Unlimited \$0.00. *Forgotten Victory: The First World War - Myths and Realities* by Gary Sheffield ISBN: 0747271577 Published by Headline on December 31st 2001 Genres: Great Britain, Military, United States, World War I Pages: 298. Len's Summary: The is definitely worth reading as a revisionist look at the causes, strategy, leadership and consequences of The Great War in Great Britain and America. Not a survey history, but rather a first class series of essays.

The First World War is arguably the most misunderstood event in twentieth-century history.
