Mende Government And Politics Under Colonial Rule: A Historical Study Of Political Change In Sierra Leone, 1890-1937

Arthur Abraham

The studies included were identified as part of a wider systematic review of the epidemiology of offending combined with mental disorder. The main databases searched were Medline. A comprehensive search was made for studies published since 1990. There is an association of homicide with mental disorder, most particularly with certain manifestations of schizophrenia, antisocial personality disorder and drug or alcohol abuse. However, it is not clear why some patients behave violently and others do not.
