State in Crisis: Political Transformation in South Africa 1975–1990 (New York

The apartheid system in South Africa was ended through a series of negotiations between 1990 and 1993 and through unilateral steps by the de Klerk government. These negotiations took place between the governing National Party, the African National Congress, and a wide variety of other political organisations. Negotiations took place against a backdrop of political violence in the country, including allegations of a state-sponsored third force destabilising the country. The negotiations resulted in

This book offers a signal service to the many readers who may have despaired over ever reading their way through the full range of recent literature on South Africa. It represents an easily digestible synthesis of wisdom from dozens of the best-informed observers of South Africa, seasoned with the author's own logical and jargon-free analytical framework. That framework casts

Despite the considerable attention paid to South Africa in recent years, this text is unique in providing a comprehensive analysis of South Africa's politics through the 1980's. Robert Price argues that the apparent stability of South Africa's apartheid regime has masked a profound political transformation underway since 1975. The work examines how government policy, economic Despite the considerable attention paid to South Africa in recent years, this text is unique in providing a comprehensive analysis of South Africa's politics through the 1980's. Robert Price argues that The apartheid state in crisis : political transformation in South Africa, 1975-1990. by. Price, Robert M.
