Sigourney Weaver stars as Dian Fossey, in this true story about Fossey's study of gorillas, and her efforts to stop the decimation of the endangered apes. Written by Ray Hamel . Plot Summary | Plot Synopsis.Â Dian did not try to convince Leakey to send her to Africa, nor did she volunteer to remove her appendix, quite the opposite: In 1966, Leakey contacted Fossey and urged her to study gorillas in the wild as an experiment. At first Fossey was reluctant citing her lack of experience, but eventually agreed upon further coercion. To test her enthusiasm Leakey asked Fossey to have her appendix removed in the pretense of health measures which she then did. See more Â». Quotes.
