Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better than never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be the best book for ever.

Shuttle and Redgrove do a very decent job exploring myth, biology, and psychology to present the menstrual process as a holistic experience. The book is a hefty read which can at times be tough to follow, but for a beginning look at sociology and menstruation it really can't be beat. There are reasons I didn't rate this book as 5 stars. The authors fall back on Jungian psychology for almost all of their assumptions. I find Jungian methods to be inherently flawed in their assumptions, that the active portions of the psyche are inherently male, and the passive portions are inherently f
