Many immigrants to Canada arrived at American ports. The American lists held at Library and Archives Canada include only the names of passengers who were proceeding directly to Canada. The complete lists are in the custody of the National Archives and Records Administration in the United States. American Immigration Records. The lists recorded the names of all passengers regardless of their country of origin or nationality. This included immigrants, visitors, students, returning Canadians and passengers in transit to the United States. Lists for the port of Quebec include passengers who disembarked at Montreal between 1865 and 1921. Ships arriving on the West Coast carried passengers from Asia, Australia and Honolulu. Date modified: 2019-09-27. These passenger arrival records identify by name, place of origin, and other particulars the vast majority of persons who participated in the great Atlantic migration. This work examines the records in their historical and legal framework, and it explains what they contain, where they can be found, and how they can be used. In effect, it is a road map through the mass of records and archival resources documenting immigrant arrivals from the time of the earliest settlements to the passage of the Quota Acts three centuries later. This new edition features expanded coverage of colonial emigration Passenger and Immigration Lists Index: A Guide to Published Arrival Records of Passengers who Came to the United States and Canada in the Seventeenth, Eighteenth, and Nineteenth Centuries. 3 volumes plus annual supplements.
