— In just one generation, Latin America has seen the number of people who identify themselves as Catholic plummet, with more people

Thus, in Latin America, in the past two decades we have witnessed the phenomenon of the incursion of the evangelical churches (sects or cults according to the Vatican hierarchy), that arose in the decade of the 80s under the inspiration and sponsorship of the CIA with the unequivocal goal of displacing Catholicism as the dominant religion. In their version as Latin-Americanized evangelical churches, they have managed to trace a new spiritual architecture in the so-called backyard of the United States, while they have also woven a dense network of contacts as undercover agents of the CIA in ord Edition. 1. publ. in the United States of America. Unlike earlier American missionaries, Pentecostals also were quick to train Latin American pastors and nationalize their denominations. For example, the Assemblies of God in Brazil [the country's largest Pentecostal denomination] was fully under Brazilian control by 1930, just two decades after the first American evangelists arrived. Is there a deep connection today between American Pentecostal churches and those in Latin America? Chesnut: There is a connection, but today, things are reversed. Pentecostalism is now overwhelmingly anchored in Latin America, rather than the United States. In Bra
