In Central Asia And Chinese Turkestan. The main early centers of Syriac-speaking Christians were Edessa (modern Urfa in southeastern Turkey) and Arbela (in northern Iraq). By the end of the 3rd century the Syrian church was strongly established also in the western Persian empire, where it was sometimes harshly persecuted during the following centuries under Sasanian rule. In the 5th century the church in Persia made itself formally independent of the patriarchate of Antioch (see i, above). In 451 the Council of Chalcedon was called to settle a controversy concerning the relationship between th Buddhism - Buddhism - Central Asia and China: The spread of Buddhism into Central Asia is still not completely understood.Â Other accounts indicate that the Indo-Scythian king Kaniska of the Kushan (Kusana) dynasty , which ruled in northern India, Afghanistan, and parts of Central Asia in the 1st to 2nd century ce , encouraged the spread of Buddhism into Central Asia. Kaniska purportedly called an important Buddhist council and patronized the Gandhara school of Buddhist art, which introduced Greek and Persian elements into Buddhist iconography. In the northern part of Chinese Turkistan , Buddhism spread from Kuqa (Kucha) to the kingdoms of Agnidesa (Karashahr), Gaochang (Torpan), and Bharuka (Aksu). Chinese Turkistan & Central Asia. China's interests in Central Asia focus on maintaining security in border areas, combating terrorism and extremism, gaining access to stable energy supplies, and expanding overseas markets and investment returns. In the course of its communication with the Central Asian countries, China claims its deep commitment to such principles as peaceful coexistence of all nations, non-use of pressure, military force or threats, mutual respect, refraining from establishing a sphere of influence and promotion of regional peace and development. The main policy tools for China to pursue its grand strategy i I already have an account here. Username or email address *. Password *.
