Newspapers and journalism began in the Middle East in the nineteenth century and evolved during a period of accelerated change which shaped their unique political, social and cultural role. Drawing on a wealth of sources, this study for the first time explores the press as a Middle Eastern institution. It focuses on the circumstances that influenced the growth of the Arab press, its own impact on local historical developments, and the long-term effects that early patterns of its emergence have had on later evolution. The Middle East is a large region composed of several countries in north Africa and western Asia. Learn about the Persian Gulf War, the Iran Hostage Crisis, Israel, Syria, Palestine and more. Its complex history includes the Persian Gulf War, the Iran Hostage Crisis, the Yom Kippur War, Zionism and more. Arab Spring. Persian Gulf War. Camp David Accords. Iran Hostage Crisis. Palestine.
