Rant on the Court Martial and Service Law HHJ Jeff Blackett

This new edition of Rant on the Court Martial, Discipline, and the Criminal Process in the Armed Services follows the Armed Forces Act 2006, which overhauls the naval and military justice systems, establishing a single system of service law and removing the need for separate consideration of the law applicable to the three services. The Act establishes the Court Martial as a standing court, and will establish a single prosecuting authority. It also abolishes review, removes old offences, establishes new offences and introduces a new sentencing regime reflecting the changes in the civil system brought about by the Criminal Justice Act 2003. It also extends the jurisdiction of Court Martial to allow it to try certain serious offences committed in the UK (treason, murder, manslaughter and rape), brings the new sentencing provisions introduced into civilian practice by the Criminal Justice Act 2003 into the Service jurisdiction as well as making changes to the Service Civilian Court following the extension of jurisdiction over wider sections of civilians.

This new edition has been fully revised to provide detailed coverage of the Act, which is due to come into force in October 2009. It includes a new chapter reviewing and assessing the impact of key cases in the European Court of Human Rights; new material highlighting the parallels and differences between procedure in the Crown Court and Court Martial; and a more in-depth treatment of sentencing matters. The appendices will include the various Rules relating to Service courts, relevant extracts from the Act and a list of all 65 Statutory Instruments. This is an essential handbook for those practising in the Service justice system and for academics researching Service law.

Court Martial (Prosecution Appeals). Order 2009. Art 4 . . 8.64.Â 7.49. Service Custody and Service of. Relevant Sentences Rules 2009. (SI 2009/1096) . . . Jeff Blackett. This new edition of Rant on the Court Martial, Discipline, and the Criminal Process in the Armed Services follows the Armed Forces Act 2006, which overhauls the naval and military justice systems, establishing a single system of service law and removing the need for separate consideration of the law applicable to the three services. The Act establishes the Court Martial as a standing court, and will establish a single prosecuting authority. It also abolishes review, removes old offences, establishes new offences and introduces a new sentencing regime reflecting the changes in th The definitive work of reference on court martial and service law. An appreciation by Phillip Taylor MBE and Elizabeth Taylor of Richmond Green Chambers.Â Although almost completely rewritten in the light of such changes, the book reflects and retains, in Blacketts words, the essence of James Rants achievements. The book, although with the appearance of a daunting tome, will be of interest to the general reader as well as to the practitioner, with its historical perspective on military justice throughout the ages offered in the introduction in which it is pointed out that every military or naval force throughout the ages has needed to create and make use of a dedicated. system of military justice.
