When paired with the new Pearson Experiments Tool and MyPsychLab, this new edition truly brings psychological research to life. A better teaching and learning experience.

Psychology helped me a lot to understand many different aspects of human behavior. I learnt a lot about individual differences. I have been writing psychology-based articles on two of my blogs "Life and Psychology" and "History of Psychology". I have also been sharing psychology related facts on my Facebook Page, "Interesting Facts About Psychology". Writing on social media, extensively, made me feel really good about myself.
