

Young Adult Books

The following list contains a selection of books to satisfy the wide variety of reading levels and interests of 7th and 8th grade readers. Many of these titles address the issues of adolescence and are for mature readers. Most of the authors listed have written other books at this level. The books on this list are located in the department's Young Adult (JY) collection unless otherwise indicated.

Young Adult genre: new releases and popular books, including *The Beautiful* by Renée Ahdieh, *The Fountains of Silence* by Ruta Sepetys, *The Grace Year* by K... Young-adult fiction, whether in the form of novels or short stories, has distinct attributes that distinguish it from the other age categories of fiction. The vast majority of YA stories portray an adolescent as the protagonist, rather than an adult or a child. How many of our best YA books of the year did you read in 2015? Reveiws by Martin Chilton (and Rebecca Hawkes, where stated). The list is in no particular order. See also: best YA books of 2016. 1. THE ART OF BEING NORMAL BY LISA WILLIAMSON (DAVID FICKLING BOOKS) Lisa Williamson's debut YA novel *The Art of Being Normal* is a powerful tale of a transgender teenager's struggle with identity. These books are for you. And one of the truly great things about this duology is that if you haven't read the previous books (*The Grisha Trilogy*) that take place in Bardugo's fantastical world, you can still dive in. 22. *A World Without You* by Beth Revis. In *A World Without You* , we meet Bo, a teen who believes he can travel through time. It's a hilarious, contemporary book that tackles an unusual topic for Young Adult fiction: the battle between print and digital media.

Young Adult / Fantasy. Read online.Â The second book in the the latest series from Percy Jackson creator Rick Riordan. The god Apollo, stuck in the body of a teenage boy, must undergo the second of his trials to regain his immortality. Fantasy / Young Adult. Young adult fiction (YA) is a category of fiction written for readers from 12 to 18 years of age. While the genre is targeted to teenagers, approximately half of YA readers are adults. The subject matter and genres of YA correlate with the age and experience of the protagonist. The genres available in YA are expansive and include most of those found in adult fiction. Common themes related to YA include friendship, first love, relationships, and identity. Stories that focus on the specific challenges

Young Adult / Fantasy. Read online.Â The second book in the the latest series from Percy Jackson creator Rick Riordan. The god Apollo, stuck in the body of a teenage boy, must undergo the second of his trials to regain his immortality. Fantasy / Young Adult.
