Start by marking "Faust's Metropolis: A History of Berlin" as Want to Read: Want to Read savingâ€¦| Want to Read. Currently Reading. Read. Other editions. Enlarge cover. Like Faust, Berlin can be said to have two spirits in the same breast; it is both a terrible and a wonderful city, a place which has created and destroyed and whose name is both acclaimed and blackened. It is not without reason that Berlin has been called everything from the "symbol of German destiny"™ to the "city of the twenty-first century"™. Above all, it is a place where history could not and still cannot be hidden away.â€ (Preface, vii). With these words Alexandra Richie begins her history of Berlin. The author lived and worked in East and West Berlin and later in the unified city, so she k

Berlin has a future again. Our city is the biggest in Germany and will soon have a population of 4 million people – developing into a metropolis of science and culture, of the media and of business. The universities and research institutes, the opera houses, theatres, museums and libraries are just as much attractions to our city as its colourful neighbourhoods and the charming landscape of woods and lakes surrounding it. The Berlin Wall and the Iron Curtain which divided the whole of Europe have also made Berlin – an attractive location for business again – Important companies are setting up n An author narrates the history of Berlin from its birth in pre-Roman times through its pivotal position in many of the twentieth century's turning points, including Hitler's attempts to build a fascist empire, and the painful division that resulted from the Cold War. Like the metropolis in Faust it has always been a rather shabby place – it is neither an ancient gem like Rome, nor an exquisite beauty like Prague, nor a geographical marvel like Rio. It was formed not by the gentle, cultured hand which made Dresden or Venice but was wrenched from the unpromising landscape by sheer hard work and determination.
