Yohan) went all-out for his house party by painting this trompe l'oeil illusion of balloons spilling out on the walls outside. He comments on his piece, "I didn't get to finish it completely, I wanted to paint the inside of the house through the hole in the wall but I ended up just making it dark." 19. Roundstone St. Trompe l'oeil painting became extremely fashionable in 17th-century Holland. A common trick of artists was to paint a frame or doorway, with the subject in some way overlapping the painted frame, as if protruding into the space of the viewer. Gerrit von Honthorst's painting Joyous Minstrel (1623; Rijksmuseum, Amsterdam) carries this idea to a masterful extreme as the subject extends an arm so far forward as to give the impression of the painted musician's sharing the viewer's side of the picture frame.Â In the United States during the 19th century, trompe l'oeil painting enjoyed a remarkable vogue. Painters such as William Michael Harnett, John Haberle, and John Frederick Peto were noted for ultrarealistic depictions of ordinary objects in a shallow space.
