Heat came to be associated with the soul because it was thought to be who thought that the heart was the seat of the soul and the brain moderated the humors. Exploration of the New World and the racist caricatures of the

The pioneering imaginative psychology of James Hillman that soon will span five decades has entered cultural history, affecting lives and minds in a wide range of fields. For the creativity of his thinking, the originator of Archetypal Psychology and author of *A Terrible Love of War*; *The Soul's Code*; and *The Force of Character* has received many honors, including the Medal of the Presidency of the Italian Republic. Finding a copy of *The Soul Of The World* has not been easy, so having both essays in one volume is wonderful. Having read these two essays, I went back to my copy of *Archetypal Process*, which contains later work by Hillman, in a complex dialog with other psychologist-philosophers, in which Hillman goes farther with the ideas in these two essays. The motto that the world is the place of soulmaking, of course, comes from John Keats, and it was Keats who also said that Beauty is Truth and who said: "I am certain of nothing but the Heart's affections and the truth of Imagination" (Letter to Bailey, 22 November 1817). If we can spot these signals of imagination in the heart's affections, then we can feel when we have gone over to another order, left ourselves, and begun making illness. The aesthetic judgment is, as Kant said, independent of logic. Our recourse . . . the disease of her way of discovering her is m absence. 63 62. *The Thought of the Heart*. gives us a new way of understanding Aristotle's phrase. "It would seem that experience of particular things is a sort of courage" (Nie. "The poet must always, in every instance, have the vibrant word that by its trenchancy can so wound my soul that it whimpers One must know and recognize not merely the direct but the secret power of the word; one must be able to give one's writing unexpected effects. It must have a hectic, anguished vehemence, so that it rushes past like a gust of air, and it must have a latent, roistering tenderness so that it creeps and steals one's mind; it must be able to ring out like a sea-shanty in a tremendous hour, in the time of the tempest, and it must be able to sigh like.
