This book will provide you with all the tools and insights you need to write .. This is to me A Studentâ€™s Academic writing. Academic writing is often a highly problematic but always potentially trans-formational activity. Despite the great diversity within and between different academic disciplines, several common themes are associated with the experi-ence of writing in academia. It is often encountered as a process that is full of paradoxes. This book aims to identify and explore those common themes and to help you, the academic writer, to address and resolve the paradoxes for yourself. It will do this in a way that can also help you to become a more productive, effective writer with healthier, more positive appro
