Wisdom and Law in the Old Testament: The Ordering of Life in Israel and Early Judaism (Oxford Bible Series). Joseph Blenkinsopp. This is a completely revised and expanded edition of a classic text. Drawing on recent work on legal and didactic material and including more literary interpretation, Blenkinsopp traces the course of two related key traditions--law and wisdom--throughout the history of Israel in the biblical period. He demonstrates their essential lines of continuity with classical Jewish thought and early Christian theology. Year: 1995. Edition: 2.
