The privatisation of social housing has turned Britain's housing market into a postcode lottery that unfairly marginalises those who can least afford it. But the failure to replace the housing stock sold over the past three decades has led to a chronic shortage of council housing. With no safety net or obligations, the Treasury is not required to replace the housing stock they sold off for a penny. "The faith to build new homes has been put into the private rental market," says Sng. "One thought on 'The great British housing sell-off'". Peter Shapiro says: October 14, 2017 at 9:37 pm.
