Many of the Chinese immigrants came to San Francisco with the hopes of working hard, becoming wealthy, and returning back home to help their families. Immigrants and the City: Ethnicity and Mobility in a Nineteenth-Century Midwestern Community. Article. Mar 1976. Community neighborhoods, Church activities and domestic and manual labor constitute just part of the stories of urban Irish Canadians in cities such as Toronto. The popular conception of the Irish as strictly city people is strengthened by the lack of discussion of the Irish immigrant role in taming (and ideologically shaping) the wilderness of Western Canada. It is argued that this has to do with the colonial image of the Irish from which British imperialist Canada sought to distinguish itself.
