Description: Bumping to top and bottom of spine. ex lib with the usual stamps and markings. If English Grammar be truly defined as the art of speaking and writing the English Language with propriety. then assuredly, the practise of elocution should form a component part of the curriculum of every school and college. That such has not been the case untill a very recent period. and is even now only partially so, is evidenced by the fact that among all classes of society there is no complaint more general than that of the rarity of good reders.

Jacket Condition: Poor

Binding: Hardcover

Description: Dust Jacket is ripped. Pen markings from previous owner to fep. This book is neither a social history nor a manual on etiquette. It is an endeavour to depict certain patterns of behaviour which at different dates and in different places, have been evolved by minorities as representing the culture of their time. The varying types of civility produced during the last two thousand years reflected, not material conditions only, but also what was regarded as most admirable by contemporary thinkers and idealists. Every society invents for itself a type, a model, an exemplar, of what the perfect member of that society ought to be.

By her wish and with the consent of my parents, i was to be educated by her, or rather to be brought up as her adopted daughter. As will be seen in my reminiscences of the Turgenev Family, I remained with Barbara Petrovna till the day of her death, which took place on 16th of november, 1850 in Moscow, at Ostozhenka, in the Lochakovsky house opposite the commercial school. There were two of us at her death bed, Nicholas Sergeyvich, her elder son and i.

Description: Edge wear to corners of book. Fep has brown staining. Rough cut end pages. ex lib with the usual stamps and markings. There are few stiller things than the stillness of a summers noon such a this, a summers noon in a broken woodland with the deer asleep in the braken, and the twitter of birds silent in the coppice, and hardly a leaf astir in the huge beeches that fling their cool shade over the grass. Afar off a gilded vane flares out above the grey Jacobean Gables of Knoll. the chime of a village clock falls faintly on the ear, but there is no voice or footfall of living thing to break the silence as i turn over leaf after leaf of the book i have brought with me from the bustle of town to this still retreat, a book that is the record of a broken life, broken off, as he who lived it says of another, with a ragged edge. It is a book that carries one far from the woodland stillness around into the din and turmoil of cities.

Book Size: 200mm x 140mm

Pages:

Volumes:

Condition: Good

Jacket Condition: Fair

Binding: Hardcover

Description: It happened in 1914 is the first part of the Olaf Tetralogy. A book that can be appreciated on several levels, as a human document, it is a deeply penetrating account of a boys transition from childhood to adolescence, but more particularly, it is the story of a gifted but under privileged youth preparing to break out of the bleak environment of an Arctic province. As such it is a vivid recreation of a process that the Author himself, like so many other proletarian writers throughout Europe, underwent earlier this century, and the hero can be seen as representative of the major social convulsions of our time. £3.50 postage and packing.

Byron in Perspective book. Read reviews from world's largest community for readers. Start by marking "Byron in Perspective" as Want to Read: Want to Read saving... | Want to Read. Currently Reading. Read. Byron in Perspective. by James David Symon. Other editions. Emotionally unstable, Catherine Byron raised her son in an atmosphere variously colored by her excessive tenderness, fierce temper, insensitivity, and pride. She was as likely to mock his lameness as to consult doctors about its correction. From his Presbyterian nurse Byron developed a lifelong love for the Bible and an abiding fascination with the Calvinist doctrines of innate evil and predestined salvation. Early schooling instilled a devotion to reading and especially a "grand passion" for history that informed much of his later writing.
