Paperback.Â Didnt we get RID of British aristocracy and replace it with true, Southern Gentility? Was that not what the late 18th Century was all about? Pride is pride, nevertheless, and the Protestant, Antebellum South - crushed by the end of the 19th Century - deserves a miniseries to eclipse GONE WITH THE WIND. Surely there are plantations where it could be filmed? Ted Turner, art thou readin this, O Proud Man? Robert Manson Myers. The remarkable Civil War letters of a Georgia plantation family, now available in a compact, illustrated volume for new readers and for all those who so greatly admired the original monumental edition. The letters vividly recreate a period of American history unparalleled for its drama and poignancy. From reviews of the first edition: "No story in America's history has been so often told, or has so well stood the retelling, as that of the Old South and its destruction. But Robert Manson Myers's splendid [book] tells it as it has not been told before, in the *Foundations* at the University of Georgia in 1947 and published there ever since, *The Georgia Review* is one of America's most highly regarded journals of arts and letters." *The Children of Pride: A True Story of Georgia and the Civil War* by Robert Manon Myers (pp. 528-534).
