Subscribe to view the full document. POPULATION AND WEALTH 76 profits from the regulation of foodstuffs and weights and measures were given to the university, and the town's fee farm was raised by just over £2 to £70 per year. 109 Distribution of wealth across society Medieval and Tudor commentators had clear hierarchical perceptions of society. The structure of this society can be investigated through the 1524 tax returns, which are comprehensive enough to cover much of the country and most persons possessing some form of wealth or income.
