This powerful book begins with fresh insights from a fable about a horse and a boy who must manage it in order to save his family's farm. From the boy's story and the hundreds of real-world i Today, business success demands sustained peak performance- and that requires self-motivated, enthusiastic employees. How can you keep your team consistently at the top of their game? This powerful book begins with fresh insights from a fable about a horse and a boy who must manage it in order to save his family's farm. Remember at all times that success is self-defined, and work towards your goals, not anyone else's.Â The must-read summary of Alex Hiam's book: "Making Horses Drink: How to Lead and Succeed in Business". This complete summary of the ideas from Alex Hiam's book "Making Horses Drink" shows that, in a commercial setting, your employees are your horsepower - the people with the potential to take the company to great results. In this book, the author explains that realising this potential is the central challenge and goal faced by every leader and, just like the proverbial horse, you can't force employees to be exceptional if they don't want to be. This summ
