In her study of Native literature, Penny Petrone includes Armstrong amongst a young generation of university-trained Aboriginal authors who contributed exciting and original creative works to Canadian literature during the 1980s (138). Critical analysis of Armstrong has generally studied her poetry and, more extensively, her first novel.Â Penny Petrone: *Native Literature in Canada: From the Oral Tradition to the Present*. Oxford UP, Toronto 1990. External links[edit]. This is the first critical study of the literature of Canada's native peoples, which at long last is commanding the attention it deserves. Focusing on the work of Indians and Metis, and beginning with an examination of the oral tradition from which their literature grew, and that continues today, it discusses both works generically classified as literature, and forms such as speeches that are significant for their eloquent expression of protest and alienation. Indeed, it is impossible to describe and quote from much of this material without conveying more than three centuries of political Native Literature in Canada: *From the Oral Tradition to the Present*. Jan 1990. Peterman.Â For all its limited legislative gains, prairie feminism did not disappear with the suffrage victories. Barred as before from the inner circles of power in their society and lacking any strong tradition of looking to public politics for a solution to their problems, women carried on a discourse outside of the public world of male politics. In the 1920s and 1930s theirs was the feminism of the workplace, of day-to-day life, a feminist politics directed to the amelioration of womenâ€™s situation in the private sphere.
