Teaching strategies for the contemporary classroom. You will get to work with our staff and practitioners to explore practical, active approaches to the teaching of Shakespeare. You are given the opportunity to reflect on your progress, and to consider how your learning at the Globe might inform your classroom practice. Creating a production for the Globe Theatre. Shakespeare can offer practical assistance in our everyday lives. Take Lady Macbeth, for example. How does she get that nice husband of hers to kill King Duncan? Teaching rhetorical devices through Shakespeare's plays not only provides an introduction to the most compelling characters and plots in English literature, but also equips learners with the skills they will need to handle a range of everyday situations, from negotiating time off work to asking a favour of a friend. It takes me a long time to decipher Shakespeare. How can we expect our students to cope? When I read Shakespeare I need glossaries and footnotes to help me understand unfamiliar words and historical references. How then, can we expect our learners to decode his works? Teaching Shakespeare provides creative routes into the world of Shakespeare, while helping to bring a selection of his works vividly to life with resources from some of the UK's major cultural institutions. Film Forever. The British Museum. Teaching Shakespeare is an innovative collaboration between the RSC, the British Museum, the BFI, Into Film, the V&A and teachers. Learn more.
