Key words: expansion of Christianity in Africa, Christian missions, the study of African languages, missionary education, transformation of African societies. Before 1800 the chief contact of sub-Saharan Africa with Europe was through the traffic in slaves for the New World. Increasing Western commercial penetration from the end of the eighteenth century and ultimate political dominance in Africa coincided with a massive Christian missionary enterprise. The modern era of the missionary expansion of the Christian Church started with an evangelical revival movement stimulating Protestant initiat

Buddhist rulers and monks have been no exception. So, historically, Buddhism has been no more a religion of peace than Christianity. One of the most famous kings in Sri Lankan history is Dutugamani, whose unification of the island in the 2nd Century BC is related in an important chronicle, the Mahavamsa. It says that he placed a Buddhist relic in his spear and took 500 monks with him along to war against a non-Buddhist king.
