W. Bush Presidency, ed.

After the election, the incoming president will have only 73 days to lay the groundwork for a successful administration. The experience of four former presidents reveals clear priorities.Â These recommendations offer clear guidance on how the next president-elect can learn from the successes and challenges of the past to ease the changeover in the White House. Notes: 1. He is the author or editor of ten books on the presidency and American government, including *The Character Factor: How We Judge America's Presidents* (Texas A&M University Press, 2004) and *The Strategic Presidency: Hitting the Ground Running*, second edition (University Press of Kansas, 1996). Pfiffner is an elected member of the National Academy of Public Administration and taught previously at the University of California, Riverside, and California State University, Fullerton.
