'This is a book that was begging to be written. This is the kind of book that demands a future where we'll no longer need such a book. Essential' – Marlon James, Man Booker Prize-Winner 2015. Reni Eddo-Lodge is a London-based, award-winning journalist. She has written for the New York Times, the Voice, Daily Telegraph, Guardian, Independent, Stylist, Inside Housing, the Pool, Dazed and Confused, and the New Humanist. She is the winner of an MHP 30 to Watch Award and was chosen as one of the Top 30 Young People in Digital Media by the Guardian in 2014. She has also been listed in The 28-year-old black British journalist put up a boundary for herself when she decided to stop talking to white people about race because she could no longer engage with the gulf of an emotional disconnect that white people display when a person of colour articulates their experience. It was only once she actively withdrew from the conversation that people turned to listen. Why I No Longer was voted the most influential book written by a woman, allowing the colour line that so often alienates BAME women from traditional feminism to be smudged. After receiving her number one spot by public vote, Reni said: "What an honour!" TAGS: books publishing reni eddo-lodge whiteness why im no longer talking to white people about race. I will say that this book has divided some of my friends and my mum's friends into those who love it, and those who hate it, so approach with an open mind. But yes, great concept which is well executed fantastically. 5. Why I No Longer Talking To White People About Race by Reni Eddo-Lodge. A Non-Fiction book! Why I No Longer Talking To White People About Race is a great. It's written by a Londoner named by Reni Eddo-Lodge, and focuses on the problems in England surrounding race, and white perception that everything is "fine". I loved this book because it includes a large proportion of Briti

â€œIâ€™m no longer engaging with white people on the topic of race. Not all white people, just the vast majority who refuse to accept the legitimacy of structural racism and its symptoms. I can no longer engage with the gulf of an emotional disconnect that white people display when a person of colour articulates their experience. You can see their eyes shut down and harden. Itâ€™s like treacle is poured into their ears, blocking up their ear canals. Itâ€™s like they can no longer hear us.â€ The very last chapter is uplifting and gives both white and black people ideas on how to deal with discussions about race. Basically, we have to choose our battles carefully.
