Who still brings axes?Â This feature-length documentary follows naturalist Bill Mason on his journey by canoe into the Ontario wilderness. The filmmaker and artist begins on Lake Superior, then explores winding and sometimes tortuous river waters to the meadowlands of the river's source. Along the way, Mason paints scenes that capture his attention and muses about his love of the canoe, his artwork and his own sense of the land. Nella Gries. Song of the Paddle an Illustrated Guide to Wilderness. by Bill Mason. See Customer Reviews.Â This book may get your heart going faster if you love the outdoors! Some of the items he mentions are difficult or impossible to get now, but he does show how to manufacture most of it. Somehow his writing bypasses the brain and goes straight to the heart. And it is not preaching to the converted! He covers just about everything needed with a subtle sense of humor. He simplifies the "how-to" and puts the love back into camping! This might be the only book you need about camping.

I read the 'Path of the Paddle' by the same author before this and probably enjoyed the 'Song of the Paddle' even more. A lifetime of knowledge and experience is shared by the author who is a wilderness canoeing guru. Very many pictures and tales of adventures make the book an absorbing read and reference source for budding adventurers. The only pity is that there is little similar wilderness in England to try this knowledge out upon. I would recommend the book especially for anyone planning any kind of open canoe camping trip. There is clearly no need to spend fortunes upo
