11. Nation-States without Enemies: the Military and Democracy after the End of the Cold War. 12. Brief Introduction to Environmental Machiavellianism: Green Democracy from Below. 13. Freedom or Survival: the Utopia of Self-Limitation. Notes. In a democracy, these conditions create a unified tribal identity. When you're talking with people in your tribe, you treat them like humans. What happens when there is no external threat? With external enemies, the US held together with compromise after compromise. When it had won the Continent, it tore itself apart in the Civil War. The republic was, in a sense, saved, but only by the complete military subjugation of the south by the north.
