The Essence of Perfume London: Black Dog Publishing (2008) Hardcover, 271 pages. * But just in case, you can read more about Roja Dove at his website. Filed Under: perfume books Tagged With: perfume history, roja dove.Â Thanks for this review! As a writer myself, I cringe at typos, but I do love reading about perfume. The "post hoc, ergo propter hoc" logic mistake is a very common one today, I see it more and more often, particularly linked with sports stats. I'm still curious enough to take a peek, maybe even buy it.
