Complete Guide to Boating and Seamanship clearly explains and illustrates the most successful techniques for skippering any vessel—from kayak to offshore powerboat. This book is a must-have reference guide for both novice and experienced sailors and boaters, as well as any person planning to be on the water—whether freshwater or marine—for the first time. About The Author. Vin T. Sparano is the author of Complete Outdoors Encyclopedia. He is editor emeritus of Outdoor Life and has written and edited eighteen books about the outdoors. In 2009, Sparano was awarded a Lifetime Achievement Award f It's "in-complete" because I constantly update it as new tips and tricks come up. The idea is to create one document with everything I ever published and beyond, neatly organized with direct links to clips that explain how you can get more out of your gear. Join \$4 Tier. Share. Boating Suite: Complete Boating Log Book. Platform: iOS devices. Features: This app is advertised as being designed for boaters by boaters. Free is a great source of location charting. If you do not have great navigation electronics on your boat, this is a great substitute, provided you are boating near a cell signal. The paid version allows upgrades to route planning, distance to arrival, fuel consumption, and real-time changes of marked chart items. This program can integrate with your Raymarine to update plotter cards, create personal bathymetry, and improve sonar charts. The sections of the book cover such important aspects of boat surveying as hull checks, boat engine and hull systems, electrical systems, tools of the trade, mast and rigging, steering, and so many others. This is an absolutely recommended publication for anyone owning a boat or planning to purchase one, noting the amount of information it provides to the reader. 290 Views 0 Comments [Read more](#). 29.01.2019. The complete RIB manual "the definitive guide to design, handling and maintenance." The book will be particularly appreciated by the owners willing to refit their boats from the complete scratch. What they shall do is just to read carefully and follow all instructions provided by the author. 524 Viewing 0 Comments [Read more](#). Clothing. Electronics. Food. Gifts & Registry. Health. Home.
