Barack Obama And Twenty-first-century Politics: A Revolutionary Moment In The USA

Horace Campbell

At these moments, America has carried on not simply because of the skill or vision of those in high office, but because We the People have remained faithful to the ideals of our forbearers, and true to our founding documents. So it has been. So it must be with this generation of Americans. That we are in the midst of crisis is now well understood. Our nation is at war, against a far-reaching network of violence and hatred. Our economy is badly weakened, a consequence of greed and irresponsibility on the part of some, but also our collective failure to make hard choices and prepare the nation for Barack Obama and twenty-first-century politics: a revolutionary moment in the USA. Two hundred and twenty one years ago, in a hall that still stands across the street, a group of men gathered and, with these simple words, launched America’s improbable experiment in democracy. I chose to run for the presidency at this moment in history because I believe deeply that we cannot solve the challenges of our time unless we solve them together “unless we perfect our union by understanding that we may have different stories, but we hold common hopes; that we may not look the same and we may not have come from the same place, but we all want to move in the same direction” towards a better future for our children and our grandchildren. Why associate myself with Reverend Wright in the first place, they may ask? Why not join another church? The book, "Barack Obama and 21st Century Politics: A Revolutionary Moment in the USA," examines the economic, political, social, and historical threads woven into the revolutionary elections. Horace Campbell is the author of several other books, including "Reclaiming Zimbabwe: The Exhaustion of the Patriarchal Model of Liberation" and "Rasta and Resistance From Marcus Garvey to Walter Rodney." In Barack Obama and 21st Century Politics, Campbell offers explanation for the current political climate in the U.S., and proposes a new theory for politics, couched in the
Barack Obama and Twenty-First-Century Politics: A Revolutionary Moment in the USA. Horace G. Campbell. Copyright Date: 2010.
