Soft-paste porcelain manufactories were established in France, England, Italy, and Spain in the mid-eighteenth century, but eventually the technology of hard-paste porcelain spread and became dominant in continental Europe. Explore European Porcelain. Browse this collection. 1.
Petra ten-Doesschate Chu. This refreshingly direct study addresses 19th-century European art along with the forces that informed it. After introducing historical events and cultural and artistic trends from about 1760 that would exert their influence well into the new century, author Petra ten-Doesschate Chu discusses the advent of Modernism and its many interpretations. She considers the changing relationship between artist and audience; evolving attitudes toward the
