“ Japanese business people will want to learn as much as possible about your professional background and qualifications. “ Negotiations generally have an atmosphere of deep seriousness. “ In order to succeed, you must describe how your product can enhance the prosperity and reputation of your Japanese counterparts. “ Japanese prefer verbal agreements to written ones, and shouldn’t be pressured into signing documents. Remaining co-operative is essential. Japanese believe it is rude to be late. “ Business in Japan cannot begin until the exchange of business cards or “meishi” has been completed. “ Use both hands to present your card, which should be printed in both languages. “ Present the card with the Japanese side facing up. Japanese Business Etiquette “ Exchange of Business Cards. In Japan, business cards, called “meishi” in Japanese, are the primary means of identification used when doing business. Another aspect of Japanese business etiquette is the complex system of honorifics built into the language and culture that governs how persons engaged in business address one another. Within a Japanese company, depending upon your relationship to your colleagues you may address others (or be addressed as) “XX-san” (formal), “XX-sama” (honorific), “XX-kun” (subordinate), “shacho” (president), “bucho” (manager) etc., or in some cases with no title at all.

Japanese Business Etiquette – Exchange of Business Cards. In Japan, business cards, called “meishi” in Japanese, are the primary means of identification used when doing business. Another aspect of Japanese business etiquette is the complex system of honorifics built into the language and culture that governs how persons engaged in business address one another. Within a Japanese company, depending upon your relationship to your colleagues you may address others (or be addressed as) “XX-san” (formal), “XX-sama” (honorific), “XX-kun” (subordinate), “shacho” (president), “bucho” (manager) etc., or in some cases with no title at all. Boye Lafayette De Mente. Throughout this book, De Mente offers invaluable advice to Westerners wishing to do business with the Japanese. In an all-new chapter, De Mente compares the Japanese and Western approaches to business pointing out the strengths and weaknesses of each. This is the one book on Japanese business structure and practices that offers explanations for what appears to many foreigners to be confusing and contradictory behaviour by their Japanese counterparts. As part of a rationale for Japan's economic achievements, De Mente has formulated "Japan's Five Commandme

When you're doing business in Japan, you don't want to inadvertently harm your deal by breaching a rule of Japanese business etiquette. Japanese consider their traditions and culture very important, and the business setting is no exception. Short of buying an entire book to learn Japanese business etiquette, here are some tips for doing business in Japan. Behave like Westerners, but watch your P's & Q's. Take 200 business cards for each week of meetings. Don't write on a Japanese person's business card, treat it with respect like an extension of the person. The middle of the table is reserved. Exchanging business cards in Japan is a very important part of Japan's business culture. There are rules that must be followed if you want to give a good impression. This short guide will help you understand the process and how to follow Japanese business card etiquette. Japan Business Card Etiquette "Everything an Expat Should Know." Posted date: Thursday, July 19, 2018. The ritual of exchanging meishi, which is Japanese for "business card," is a much higher valued practice in Japan than in the West. This guide will serve to help foreigners who are new to doing business in Japan avoid costly mistakes. Business card etiquette is one of if not the most important areas of Japanese business culture.
